

EJECTO™

LIFTING AND MOORING SOLUTIONS

MultiDog Guide Post Connector - GPC-3R

The MultiDog guide post extends the -3R family where a guide post can be used in the same receptacle as the lifting connector.

- ❖ Easy to install and recover
- ❖ Re-usable
- ❖ No depth limitations
- ❖ Fail-safe design ensures that the connector cannot be released under load

Specification

Capacity: Certified according to Maskinforskriften nr 544

Dimensions: Design on custom request

To be used together with FM-3R receptacle ring.

The field proven MultiDog connector combines state-of-the-art material technology with reusable rugged lightweight construction to save time and money during subsea installation and recovery operations
